Qualifying:

All drivers will draw to determine heat-race starting positions. South Region events will utilize a straight-up draw/redraw method. Draws take place at the Short Track Super Series trailer in public view during the pre-race drivers' meeting. Drivers must register their cars prior to the start of the drivers' meeting for inclusion in the draw. The feature event starting field of 27 will be filled by qualified cars from heat races, consolations and provisional starters. The highest two drivers in STSS South Region points unable to qualify will be added as provisional starters (half green money). Since Port Royal Speedway does not race Modifieds regularly, a final provisional starting spot as a "buy-in" will be offered to the third-highest driver in STSS Modified South Region points unable to qualify.
