Body Rules:

Sail panels are permitted. Sail panels must be even and mirror each other in size and shape, side-for-side. Maximum height when measured from the ground is 65 inches. Sail panels must extend no further forward than the rear of the driver's seat and no further back than the end of the quarter-panel. *There will be no alterations (louvers, cut-outs, etc.) permitted to the sail panels.* A roof spoiler/wickerbill, no taller than four inches, is permitted.

All other Short Track Super Series Fueled By Sunoco body rules will be in effect at this event.

Qualifying:

Drivers will draw for assignments of heat-race groups. Heat-race groups will hot lap together. Hot laps will be timed. Heat starting positions will be determined by hot lap times with an invert of the redraw positions: if the redraw is four (4), the fastest driver in each hot lap group will start fourth, with the fourth-fastest starting on the pole. Remaining starting positions will be "head's-up" based on time. Top finishers from the heat races (8 laps) transfer to the redraw. The remainder of heat-race qualifiers go directly to the features. Consolations (8 laps) and provisional starters will set the remainder of the field. The highest two drivers in the current 2024 STSS Modified North Region points unable to qualify will be added as provisional starters (*half green money*). Le RPM Speedway reserves the right to add the highest driver in current speedway points unable to qualify as a provisional starter (*relinquish green money*).

General Rules:

Please refer to the STSS Modified 2024 North Region rules and procedures at the following link:
