Left-Rear: American Racer 44 compound or harder

Right-Front: American Racer 38 compound or harder

Left-Front: Any American Racer Modified tire

Any track or series stamp is permitted. No specialty or block-tread tires. No softening or chemically altering of tires.

Durometer readings will be taken after all events. Outliers are subject to laboratory testing.

Body Rules:

Standard bodies only; no sail panels or other deviations per STSS rules and procedures.

Qualifying:

All drivers will draw to determine heat-race starting positions. South Region events will utilize a straight-up draw/redraw method. Draws take place at the Short Track Super Series trailer in public view during the pre-race drivers’ meeting. Drivers must register their cars prior to the start of the drivers’ meeting for inclusion in the draw. The feature event starting field of 27 will be filled by qualified cars from heat races, consolations and provisional starters. The highest two drivers in current STSS Modified South Region points unable to qualify will be added as provisional starters (*half green money*). Delaware International Speedway reserves the right to add the highest driver in current speedway points unable to qualify as a provisional starter (*relinquish green money*).

General Rules:
